

*Tips for Growing, Learning, and Leading
Your Component to Success*

Your ASPAN Board of Directors invites you to join us for the 2024 Perianesthesia Development Institute (PDI) on November 8-9, 2024. This weekend will focus on strategies to help component leaders and emerging leaders grow, learn, and lead our organization. Sessions were designed based on needs identified by component leaders at the 2024 National Conference. Come share your successes as well as challenges with colleagues from across the country. ASPAN provides support, education, and resources for all our leaders, future leaders, and those interested in becoming more involved in the local, state, and national level.

This year it will be held in beautiful Oklahoma City, Oklahoma. Located in the heart of Oklahoma City, the Sheraton Oklahoma Downtown Hotel is just one block from Bricktown. Enjoy the waterfront entertainment district, filled with shops and restaurants in the historic former warehouse district. Enjoy a ride on one of the water taxis along the gorgeous Oklahoma River or a streetcar that runs from Bricktown to Midtown for more shopping, dining, and nightlife entertainment.

We hope you will join us for an exciting weekend of sharing your passion and excellence with other perianesthesia nurses. For those unable to attend in person, Saturday's program will also be available as a virtual educational event option.

Thank you for all you do for ASPAN and the specialty of perianesthesia nursing practice.

Cordially,

Lori A. Silva, MSN, RN, CCRN, CPAN
ASPAN President 2024-2025
