GREETINGS TO ALL PERIANESTHESIA NURSES!

We are all on a journey of learning and expanding our knowledge. We have all taken various opportunities to have foresight vision and fulfill our dreams. I am inviting you to join me and take advantage of what your professional organization has to offer with a plethora of educational perianesthesia resources.

ASPAN's Summer/Fall seminar series for 2023 offers educational programs that are specifically designed to meet the needs of perianesthesia nurses from novice to expert. ASPAN is the premier resource for perianesthesia education. Every program is accredited through the ASPAN ANCC-COA Accredited Provider Unit which provides the opportunities to gain new knowledge driven by your requests and input. ASPAN continues to deliver a variety of learning opportunities to meet your individualized needs and topics presented to support your best practice and clinical inquiry.

ASPAN's web-based learning platforms meet your educational needs with programs tailored to your preferred learning style. Perianesthesia nurses are engaged in fast-paced lifestyles and busy schedules that need a sense of **belonging**. ASPAN offers programs designed with you in mind. From webcasts to full-day seminars, ASPAN has programs that fit your way of life and your needs to help empower your **innovation**. ASPAN's programs are peer-reviewed and delivered by highly qualified, nationally recognized ASPAN speakers. We encourage all lifelong learners to take advantage of these incredible educational sessions that are sure to offer you educational **solutions**.

I personally invite you to fulfill your dreams with foresight vision in a world where you belong, are innovative, and you find solutions during your educational journey.

Current ASPAN programs selected for this season are on the pages that follow. Take a moment to find the course that is right for you and don't forget about the early bird deadline!

Sincerely,

Alphonzo Cortez Baker Sr., DNP, RN, CAPA — ASPAN President 2023-2024
