

**Reigniting your Passion Using Foresight Vision:
Tools to Create a World of Belonging, Innovation, and
Solutions**

ASPAN leadership is excited to collaborate in St. Louis, MO building on existing potential and professional development. This event is for component, emerging, or interested member leaders. Come to St. Louis to listen, share, and learn all things ASPAN. PDI will be full of advice to obtain, sustain, retain, and suggestions to fortify leaders and components.

On Friday, the program begins at 5:00pm, followed by a Meet and Greet. Socialize with your ASPAN Board of Directors and network with perianesthesia colleagues. This weekend focuses on you, your leadership, and your components!

Create the foresight vision and fundamentals for ensuring thriving ASPAN components. Explore critical segments of membership, marketing, and purposeful excellence. PDI will be bursting with topics, information, and recommendations to reignite your passion for foresight vision in perianesthesia nursing.

PDI will focus on reigniting your passion, targeting leadership successes and component collaboration. Come and join myself, the ASPAN Board of Directors, and special guests at PDI in St. Louis.

Cordially,

Alphonzo Baker, Sr., DNP, RN, CAPA
ASPAN President 2023-2024

Accreditation

American Society of PeriAnesthesia Nurses (ASPAN) is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

Provider approved by the California Board of Registered Nursing, Provider Number CEP5197 for 3.50 contact hours.

Additional provider number: Alabama #ABNP0074.

Registered nurse participants will receive 3.50 contact hours.

The program sessions that meet the American Nurses Credentialing Center’s Commission on Accreditation Operational Requirements for contact hours are designated in the program schedule.

Standards for Integrity and Independence

The ASPAN ANCC Accredited Provider Unit will collect information from all individuals in a position to control content regarding financial relationships with ineligible companies, analyze the data for relevant financial relationships related to the educational content; and mitigate relevant financial relationships. The results of this analysis will be reported in the course presentation materials on the required handout.
