WINTER / SPRING WEBCASTS & SEMINARS

**"Education is the most powerful weapon
which you can use to change the world."¹**

– Nelson Mandela

DEAR PERIANESTHESIA COLLEAGUES,

Welcome to ASPAN's winter/spring season of perianesthesia nursing education. Through knowledge we are empowered to lead in our workspaces, components, and our communities. Web-based learning has never been more indispensable to our profession. For such a time as this, ASPAN remains vigilant and committed to providing excellence in education. Healthcare is in constant motion, and we should be engaged in learning to remain current, competent, and provide the highest quality care for our perianesthesia patients.

ASPAN's Winter/Spring Seminar Series for 2022 offers educational programs specifically designed to meet the needs of perianesthesia nurses from novice to expert. ASPAN is the source for perianesthesia specialty education. Every program is accredited through the ASPAN ANCC-COA Accredited Provider Unit.

ASPAN's web-based learning platforms are here to meet your educational needs with programs tailored to your preferred learning style. Perianesthesia nurses are engaged in fast-paced lifestyles and busy schedules. ASPAN offers programs designed with today's perianesthesia nurse in mind. From two-hour webcasts to full-day seminars, ASPAN has programs that fit your schedule and your needs. ASPAN's programs are peer-reviewed and delivered by highly qualified and nationally recognized ASPAN speakers.

Mark your calendar today to enjoy your favorite programs. Early bird discounts are available. Expanding your knowledge has a direct impact on the care you deliver to your patients. As lifelong learners, we encourage you to take advantage of these incredible educational sessions.

Together,

Jennifer Kilgore, BSN, RN, CPAN
ASPAN President 2021-2022
