Instructions for Completing Session Evaluations for the Online Sessions

From any computer or device with internet access:

1. Go to <https://www.aspan.org> and Sign In using your ASPAN username and password.
2. Go to the Education & Events/ASPAN National Conference/National Conference Evaluations (<https://www.aspan.org/Education-Events/ASPAN-National-Conference/National-Conference-Evaluations>)
Make sure you are signed in, or the Evaluation Site will not recognize you.
3. Click on the **Online Evaluation Link** to begin (there are 2 evaluation links one was for the in-person event and the other is for the online event. **Please make sure you click the online event**).
4. Once you are in the evaluation system, you will see instructions on how to navigate.
5. Your evaluation of a session will automatically add your contact hours to the Certificate of Attendance.
6. When you are finished and **all sessions you watched are evaluated**, print your Certificate of Attendance for a written record of contact hours. Do not print the certificate until you have evaluated all the sessions you attended.

****December 1, 2024,** is the deadline to complete the national conference evaluations.

After you complete the demographic information, session evaluation, and overall evaluation, your contact hour certificate will automatically be generated, and you can save it to your computer, print it, or email it to yourself.
